dumb story

U know this is dumb right?

A girl named Elizabeth tet
Was walking down her street Berryfrom street and was looking for a quick snack, she went to a famous snack shop called nots shop she was at the candy stall and was looking around
She grabbed a chocolate bar and went to the cashier
“how much is this?”
Said Elizabeth
“50 cents”
Said the cashier
She looked in her pocket and there was 2 dollars
“here's a dollar give me 50 cents back please”
Said Elizabeth
The cashier took the bill and puts it in the counter and gives her the 50 cents
She left, while walking she saw an animal it was cute so she walked to it
She pulled her hand to the animal
It bit her and backed away
She didn't look scared and looked at her hand
The animal looked at her it's eyes round
She was about to say something but just left...

Later that day...
She was down the street again but brought cream cheese she walked to the same animal and gave it the cream cheese
It ate it with no problem

dumb story

~†'Part 2'†~

Elisabeth walked to the animal again but the animal was gone... She looked everywhere but still the animal was nowhere to be found...
Elisabeth walked to a bush that was weird...
She looked under it and found *blood*... And a bear trap
She looked down and found the animal
She picked it up and build it a house of sticks and clay
“here buddy, I build you a house!”
She said
The animal went inside and slept
She left that day
At home she was in her room watching the TV and saw something weird
“today a weird animal was found in a bush with a bear trap and blood”
Said the new reporter
“if u see this animal please call 911 or the FBI”
The news reporter showed the same animal that Elisabeth saw

Anddd sooo srry for the people who was confused about 'jayfrost' in the leader placement 😱 I forgot that it was supposed to be jaystar :P)

On the cover will be jayfeather bc this cover has jay on it and if you want you can put hollyleaf and lionblaze if you want!

There will be 5th places and the top will be on the cover, while the rest will be on a banner! Or in a story

There once was a girl named Ashlynn, like most girls she had a boyfriend, she was at her first date and they when to a dinner dine, their she was met with seol, there at the dinner, they talked about stuff like what they liked and what they had as a child, the usual,

after that day she fell in love with him more more until

She and her friends went to party at her house, her boyfriend was at a bar, after the party ended she was alone after hours and hours her bf didn't came so she called him, only his best friend hung up

"Uhm... Hello? Is seol there?"

She said

"not yet sadly, he got killed by a bullet, no body knows what happened yet.."

He said, she was shocked at the sound of her bf DEAD?, after a bit of talking and knowing what was the hospital's number she decided to look after him day by day, she left to stay with her mother, not wanting to be alone

...

One day, she came to look after him until a nurse blocked her

"I'm very sorry ma'am but please stay out of the door"

The nurse said, before Ashlynn asked the door shut in her face,after what felt like forever, the doctor came to her

"What happened to him?"

She said frantically

"I'm so sorry ma'am but... Seol's dead"

Ashlynn couldn't believe him

"What? No no, are you joking?"

The doctor nodded side ways

After that day, she hated herself, she locked herself in her bedroom and never came out, her friends we're worried about her, but day by day she never came

After like days has passed she went up the roof, and sat at the end looking down

Luckily her mother came on time to see her on the roof

"Sweetie what are you doing here? You will get hurt!"

Her mother ran after her

"Come inside"

Her mother said

"Mom?"

"Yes?"

"Tell dad that I said 'I love you'"

After saying her words she jumped down the building, she thought "*now I can be with you...*"

She crashed down as her skell was cracked and her bones being broken in all her parts, then finally she closed her eyes and darkness spread to her eyes

The end ❤
